Dear OM:

Please let me acknowledge and thank you deeply for the gracious letter which you wrote on the occasion of my 25th anniversary with ARRL. There are so many hundred of these letters that it doesn't seem advisable, in these busy war days, to undertake to type each of you an individual letter, so I hope you will permit me to QSL and say my great thanks by this means.

These many letters were presented to me bound into the handsomest book that I have ever seen. I shall always cherish them -- yours included -- as my most precious possession, provided only that I never let them go to my head. They honor me much too much -- the total effect is extremely sobering. It will never be possible to live up to them; I can only remember what my friends have said, and try.

73.

Gratefully yours,

Managing Secretary
